

EVENTS

The **exclusive** venue for your corporate events, conferences, family occasions, trade fairs and congresses

The time is ripe to make way for sustainability. The Umwelt Arena is the right platform and the perfect venue at the interface between economy and ecology.

Stage your next event at the Umwelt Arena Spreitenbach where the setting is bound to impress, whether you are holding a business meeting, cultural event or professional gathering. Your guests and visitors will gain an insight into the exciting age of green products and services which are helping to conserve our natural resources.

The Umwelt Arena has large halls, meeting rooms and conference rooms of different sizes for your event. You are also welcome to use our exhibition areas and catering facilities for your event – please discuss your requirements with us. The Umwelt Arena Spreitenbach illustrates how a spectacular event location can be compatible with sustainability. Our KLIMA restaurant and caterers can offer you efficient and sustainable catering services at attractive prices.

The Umwelt Arena at a glance

- Various multifunctional rooms for small meetings as well as for seminars/conferences
- Entire Arena as a venue for up to 2000 people (seated) or 4000 people (standing)
- Unique setting for meetings, trade fairs, congresses, events and banquets
- Innovative building boasting spectacular architecture, carbon-neutral operation and state-of-the-art infrastructure
- Sustainable catering services/own KLIMA restaurant in the building open to the public
- Hotels in the immediate vicinity
- Public transport connections
- Direct motorway access
- Central location: 15 km from Zurich city centre, 20 km from Zurich airport, 33 km from Aarau, 42 km from Zug, 110 km from Bern, 70 km from Basel, 100 km from St. Gallen
- 500 parking spaces in own underground car park (parking charges apply)
- Individual customer service and professional advice from specialist team
- Electric charging stations/electric parking spaces
- Individual tours with tour guide
- Supporting events like mobility roadshows (test drives and economy test drives with two-wheeled and four-wheeled electric vehicles), also offered in combination with seminars

Third floor, outdoor area

I ROOF TERRACE

Ideal place for alfresco aperitifs

Location | Directions

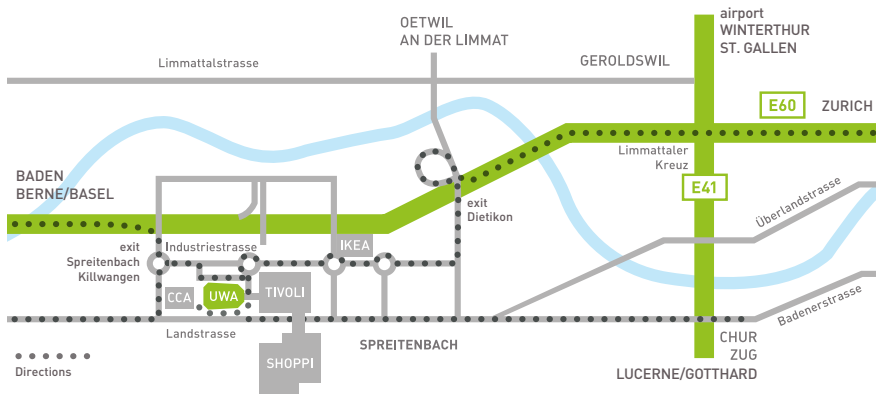

Public transport services on weekdays

Take the train to Killwangen-Spreitenbach station then bus no. 303 (goes every 10 to 15 minutes) to the "Furttalstrasse" stop in Spreitenbach and continue walking in the same direction for 150 m. The Umwelt Arena is on the left.

Public transport services on Sundays

Please note that there is a different timetable on Sundays and the 303 bus only goes from Dietikon. Coming from Zurich/IC train connections from all directions: travel to Dietikon station then take bus no. 303 (goes every 30 minutes) to Spreitenbach, Shopping Centre. Continue on foot (following the signs to the "Umwelt Arena"). Coming from Baden (region): Take bus no. 2 to Spreitenbach, Shopping Centre (25-minute journey). Continue on foot (following the signs to the "Umwelt Arena") (five-minute walk).

Alternatively: Take the SBB train no. S12 or S3 to Killwangen-Spreitenbach and then bus no. 2 to Spreitenbach, Shopping Centre. Continue on foot (following the signs to the "Umwelt Arena") (five-minute walk).

Coming by car

From Zurich/Lucerne: Take the Dietikon/Spreitenbach motorway exit, turn right; at the third set of traffic lights turn right towards Spreitenbach; turn into the "Shoppi-Tivoli-Parkhaus" multi-storey car park then continue straight on and follow the signs.

From Berne/Basel/Baden: Take the Spreitenbach/Killwangen motorway exit, turn right; take the 3rd exit at the first roundabout; turn right after 400 m at the next roundabout; turn right after 50 m into your destination.

There are 500 parking spaces in our own underground car park.

Spreitenbach has been an "Energiestadt" since 2008 which indicates that the town is a model of energy efficiency and sustainability. The well-known shopping centre Spreitenbach is evolving into the Swiss environmental metropolis (Source: Aargauer Zeitung newspaper, 20.8.2011).

Opening times for events

Tuesday to Sunday; by arrangement

Technical event management

Habegger AG will help with the practicalities of staging an event right through to full installation of all the technical systems.

Restaurants and catering services

dine&shine Event-Catering has developed a sustainable range specifically for the Umwelt Arena and its cuisine is designed to cater for every taste.

KLIMA restaurant

There are indoor seating facilities for 80 and space for 40 outdoors. The KLIMA is Goût Mieux-certified and offers more than a normal restaurant. It is run to the same sustainable standards as the Umwelt Arena itself. There are solar sunshades at tables with integrated solar panels where the guests can charge their mobile telephones or iPads by solar power as they sit in the garden restaurant.

The award-winning building

The building is carbon-neutral and produces twice as much energy as is needed to run it.

- Designed by René Schmid Architekten of Zurich
- 100 x 60 x 20 m, four storeys above the ground and three underground floors
- 5,300 m² solar system (approximately 20 tennis courts)
- Annual yield: 540,000 kWh, allowing the Umwelt Arena to save 100,000 to 150,000 l of oil per year on heating – or enough power for electric cars to drive three million km per year
- Maximum output: 750 kWp (750 kilowatt peak power corresponds to approximately 1020 h.p. and is enough to run 300 electric vehicles)

Umwelt Arena architect René Schmid of René Schmid Architekten in Zurich won the Norman Foster Solar Award in 2012. In the same year he was also awarded the European Solar Prize in Berlin.

We look forward to your visit.
