# Lower ground floor | ARENA

The imposing Arena building is the ideal venue for your event, whether it be a meeting, trade fair, congress or concert. Supporting events can be held in the Arena, such as mobility roadshows (test drives and economy test drives with two-wheeled and four-wheeled electric vehicles).

Concert seating for approx. 2000 people

Rigging layout

Climate Pioneers, Swisscom, November 2012, 1600 people

Since it opened on 24 August 2012 the Umwelt Arena has become an established venue for companies, event organisers and private individuals looking to put on a spectacular event in a fitting location. In the first four months alone the Umwelt Arena hosted over 400 events. During this time some 50,000 visitors sampled the unique atmosphere and took in the impressive architecture. Around 500 guided tours were also conducted through the 40 exhibitions by expert guides.
